

# GLOW End of Term Newsletter

[Vol. 1, Fall 2009]

Welcome to GLOW's first ever newsletter! Here we take a look back at another fantastic term filled with great events and lots of fun. Hope you had a chance to join us for some of these, if not be on the lookout for more to come in the winter term!

## [Coming Out Week 2009]

A raising of the pride flag, a queer careers speaker and reception event, and overnight flag guard (which included a showing of "Mean Girls") were all a part of this amazing week to celebrate the courage showcased by the queer community when facing coming out issues. To top things off, the week ended with our first ever Gaymazing Race!

## [DRAG ME TO THE BOMBER]

Drag me to the Bomber was a big event, where queer things were happening in the Bomber. Kings and Queens took the stage for the entertainment of all, and some dancing occurred when our spectacular DJ took to the turn tables. Thanks to those who came out and those who helped out; we raised \$560 for GLOW.

## [Sapphic Mondays]

Sapphic Mondays is GLOW's group for queer women. It has been a fun, laid-back term for Sapphic Mondays with activities including bowling, pumpkin carving, and L Word nights. It was great to see new faces while welcoming back returning members. I hope to see you all in the future! :)

## [Tuesday Movie Mayhem]

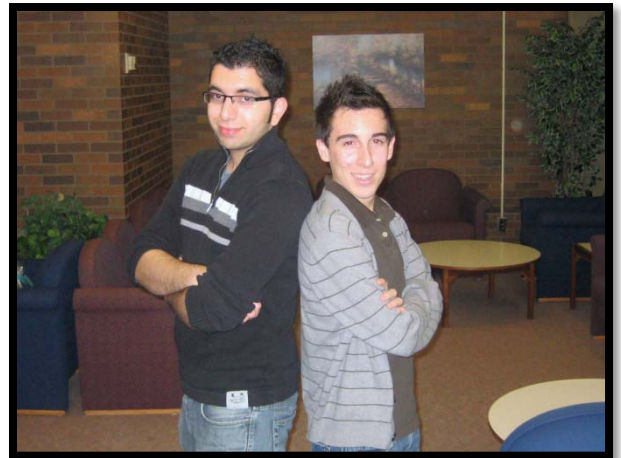

GLOW began hosting a new weekly event in Fall 2009 called "Tuesday Movie Mayhem". Each week a group of us went to either the Galaxy Theatre at Conestoga Mall or Princess Cinemas in Uptown Waterloo. We watched a new release and then gathered at a cafe to chat. Some of the movies included indie flicks such as "Whip It!" as well as blockbusters such as "New Moon". Make sure you check out the awesome movies coming up next term with AY and Patrick, the new TMM co-facilitators!
